## THE BRIDGE

Taking advantage of a beautiful summerlike late September weekend, watchmaker Richard Mille presented the second annual invitation-only vintage car show “The Bridge” in Bridgehampton, Long Island. Eschewing the rules of a traditional concours, visitors were able to appreciate the dazzling assemblage of vintage cars and world-renowned collection of contemporary art with the dramatic coastal surroundings as their stunning backdrop. Held at the state-of-the-art golf club on the site of the historic Bridgehampton Race Circuit, the event’s guests included Jay-Z, Beyoncé, Swizz Beatz, Donna Karan, Stuart Parr, and Vito Schnabel.
